The Speakers

Peter Wenz is the senior pastor of the BGG Stuttgart, Germany, one of the largest charismatic churches in the German-speaking world, and has an international preaching ministry. He leads a network of churches and organisations in over 20 countries. With his wife, Sabine, he is strongly involved in a social-work organisation in Africa (JAM), which daily feeds and teaches over 400,000 children. His central message is the Love and Goodness of God, and the importance of a consistent, authentic lifestyle.

Steve and his wife, Debora, first went to the Philippines in 1984 for a short mission trip to Manila and planted a church there. Today EN Victory in the Philippines has over 34,000 members, and has planted over 40 churches in other cities. Steve's heart is to spur Christians on to become ever more Christ-like.

CROSSCULTURE

...the cross changes everything

Every Nation - European Conference 23rd – 25th Oct. 2009

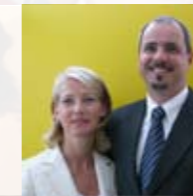

„That Jesus died on the cross for us must certainly seem madness to all those who are perishing. But we, who are being saved, experience directly – through this message from the cross - the full power of God.“ 1. Cor 1:18

The world has been changed – through what Jesus Christ accomplished on the cross for us. Whoever accepts this gift will be transformed by the power of God, and receive a new life with a totally new perspective. Through the power of the Holy Spirit, we will be ever more moulded to the likeness of Jesus, and become a part of His Kingdom, which is extending across the entire world. Unfortunately, all too often we seek to mould ourselves to the culture of our surroundings rather than stand for Christ.

Through Him we are a new creation and live a new culture – the Culture of the Cross – because the Cross changes everything. We are Christ’s likeness, and we can be proud of it.

This conference will reawaken you to this fact. It is about Jesus, about His Kingdom, and about us, His church. It is also about a world which is lost without Christ. Come – let yourself be inspired by great speakers, be filled with the power of the Holy Spirit, and influence your culture.
