

CROSSCULTURE

..the cross changes everything!

Every Nation - European Conference 23rd – 25th October 2009 in Innsbruck - Austria

*„That Jesus died on the cross for us must certainly seem madness to all those who are perishing.
But we, who are being saved, experience directly – through this message from the cross - the full power of God.“
1. Cor 1:18*

Christ has changed the world. Through Him we are a new creation and live a new culture – the Culture of the Cross – because the Cross changes everything. We are Christ's likeness, and we can be proud of it. Come and experience the Power of God. The Holy Spirit will change you, and through you, the world.

CROSSCULTURE... The CROSS changes EVERYTHING!

We look forward to meeting you there – as does God! **Markus and Nelli Marosch and Team**
on behalf of the EN International Ministry Team, Europe

- Peter Wenz (Stuttgart, Germany)
